

FLEXIBLE. EFFICIENT. PRACTICAL.

TAIKO™ (PUB- 7/11)

JCM's Taiko Bill Acceptor is small, attractive and powerful. Its revolutionary drum winding technology transports banknotes and acts as an effective anti-stringing mechanism. Taiko features the latest sensor technology (blue, red, NIR and IR sensors) to ensure a high level of validation security, and its selectable DIP switches puts the power in your hands.

FEATURES

- Multiple mounting options
- 95%+ acceptance rate
- Drum winding technology
- DIP switch selectable interfaces
- Automatic retry feature
- Accepts banknotes up to 82mm wide
- Rainbow bezel with full color

BENEFITS

- Easily mounted on door or inside cabinet
- Keeps you and your customers happy
- Proven anti-stringing protection
